

REMARKS

Claims 1, 3-13, 15-19 and 21-32 are currently pending in the present application. Applicant has cancelled claims 1, 3-13, 15 and 16 and has amended the abstract to be less than 150 words in length. Claims 17-19, and 21-32 were amended with Applicant's prior response and are now identified as "allowable subject matter" in the present application. Applicant believes his application, including claims 17-19 and 21-32 are now in proper form for examination and reconsideration by the Office. Applicant respectfully requests early issuance of his application.

Applicant's response to each and every objection and rejection in the Official Action made Final is now believed to be moot in light of his cancellation of claims 3-13, 15 and 16. Accordingly, Applicants respectfully request reconsideration of his application and request early issuance of a patent for the present matter.

In an effort to expedite prosecution in connection with the present application, the Examiner is respectfully requested to contact the undersigned representative to conduct an interview should there be any outstanding matters that need to be resolved in the present application.
